**I CAN SEE A RAINBOW**

**Cp. Denny Carleton**

*G* *D/F#*  
 I can see the sun I'm standing in the rain

*EMIN* *C*  
 I can feel the wind on my window pain

*G* *D/F#*  
 And I can see a rainbow There's some things you just know

*EMIN* *C*  
 I can feel the wind blow I can see a rainbow

*G* *D/F#*  
 And I can see a woman covered by the Son

*EMIN* *C*  
 Standing on the moon With stars on in her crown  
 (CHORUS)

*G* *D/F#*  
 And I can see an eagle flying in the sky

*EMIN* *C*  
 I didn't understand it I didn't question why

*G* *D/F#*  
 And I can see the Earth swallowing the flood

*EMIN* *C*  
 And I can see your friends singing of your love

(CHORUS)
